Milford Lodge is located in rural Crittenden County, KY. The lodge is rustic but comfortable, with fully remodeled kitchen and bath!

Three thousand acres of property is family owned and operated. Soybean, corn fields and wooded acres reach to the Ohio River. Trophy white tail deer and wild turkey hunting are specialties. Quail, duck, coon and cat hunters are also welcome. We can accommodate the needs of most any group or organization.

During the off-season, the lodge is available for bikers, fishermen, tourism, etc. It is the perfect get-a-way in the country.
